

SECURE LOCKERS FOR LAUNDRY DROP-OFF & COLLECTION

Mr. **iLockerz**

INTELLIGENT LOCKER SYSTEMS

Intelligent lockers provide a smart solution for laundry and dry cleaning companies seeking to deliver a superior customer experience.

By installing a system, businesses can offer a secure and fully automated 24/7 service, convenient for customers and employees.

**Hassle-free drop-off
& collection facility
for:**

Washing
Dry cleaning
Ironing
Garment alterations/repairs
